

# Wall Mount & Magnetic Retractable Belts

Easily cordon off doorways for restricted access.

## Wall Mount Retractable Belt - 2m & 4.6m

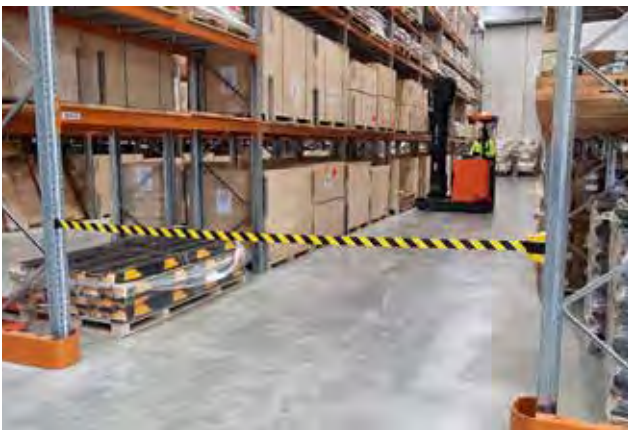

A compact retractable belt that can be mounted to the wall or pallet racking. Simply pull the belt across to the provided wall-mount receiver clip and lock-off. Quickly and conveniently restrict access when required

- Prevent unauthorised access in seconds.
- Can be purchased with magnetic belt end
- Also compatible with our free-standing units
- Available belt colours - Red, Black, Blue, Black/Yellow

CODE	DESCRIPTION
49-WB4	Wall Mount Retractable Belt - Black Finish - 4.6m Belt

Fixings included.

Instantly block off aisles to prevent workers coming into contact with lifting machinery.

## Magnetic Retractable Hazard Belt - 5m & 10m

Magnetic Retractable Hazard Belts have a magnetic mount and belt end, ideal for magnetising to pallet racking, forklifts and other steel surfaces. Use for cordoning off aisles and doorways when forklifts are in operation.

- Magnetises to steel surfaces
- Prevents unauthorised access in seconds
- Lightweight and portable
- Highly visible black/yellow belt
- 5m or 10m belt length

The base unit and belt ends magnetise to steel surfaces.

CODE	DESCRIPTION
49-WBM5	Magnetic Retractable Hazard Belt - 5m Belt
49-WBM10	Magnetic Retractable Hazard Belt - 10m Belt
