Premium Retractable Queuing Stanchion

Our **Premium Retractable Queuing Stanchions** provide a sleek, professional solution for managing queues and guiding foot traffic. With 3m or 4m belts, they link easily to create organised zones that enhance safety, efficiency, and customer experience in any environment.

Features

- Chrome finish for a professional, modern look
- 3m or 4m belts connect multiple stanchions
- Auto-braking mechanism prevents fast belt retraction
- Improves safety, efficiency, and flow management.
